

Good people are the strength of our company...Why work for Crane?

We have exciting opportunities available at Crane Composites with a safety driven culture. We are a team based environment and support our community through donations.

Crane Composites Inc. is the world's leading provider of fiber-reinforced composite materials. Our parent company Crane Co. is a publicly traded global company that was founded over 160 years ago. As the first and largest global manufacturer of FRP wall paneling, we offer the industry's most innovative and resilient FRP panels that are manufactured in the United States.
